

## **CODE CHANGE ANNOUNCEMENT:**

**The updated 2010 California Building Standards Code, Title 24 of the California Code of Regulations, will take effect January 1, 2011.**

**All permit applications and submittals to Plan Check Review after January 1, 2011, will have to comply with the following new and revised codes as applicable to each project:**

2010 California Building Code

2010 California Residential Code (one- and two-family dwellings and specific townhomes)

2010 California Electrical Code

2010 California Mechanical Code

2010 California Plumbing Code

2010 California Energy Code

2010 California Fire Code (see Burbank Fire Department)

2010 California Green Building Standards Code (CALGreen)

2008 Building Energy Efficiency Standards – Title 24 energy requirements

All other parts of Title 24 not listed above as applicable to the project

Title 9, Chapter 1, of the Burbank Municipal Code

**Projects must comply with requirements from other City divisions and departments including Planning Division, Burbank Water & Power, Public Works Department, Burbank Fire Department, and Burbank Police Department, and all regulatory, county, and state requirements specific to that project.**
